

# Cruise into a jazzy sunset on the Lucky T

Our Captain welcomes you aboard the resort's double-decked catamaran to enjoy a jazzy sunset cruise exclusively created for our resident guests.

Arguably the best way to appreciate St Lucia's magnificent sunsets is gliding on gentle ocean waves, caressed by our warm tropical breezes and stimulated by our fabulous island scenery. Cruise beneath our Pitons World Heritage Site and discover a whole new way to admire the dazzling colors of sunset.

One of St Lucia's favorite saxophonists will be on board to provide a live blend of romantic ballads and soulful rhythms, creating the perfect ambiance for this mesmerizing experience.

The crew will welcome you aboard with an island rum punch and serve beverages and canapés throughout the cruise. Then, celebrate the setting sun with a glass of champagne.

Please reserve your jazzy sunset cruise as soon as possible to avoid disappointment. To book, contact our Social Desk at Jade Mountain or Anse Chastanet or speak to any member of Front Desk staff at Scuba St Lucia.

..... and sometimes, our Jazzy Sunset Cruise turns into a whale and dolphin watching cruise....
