

Wine & Champagne

Dear Guest,

We hope that you will enjoy our wines. Due to global supply challenges, our local wine merchants have experienced delays in receiving their stock which may lead to some of our wines and champagnes to be temporarily unavailable. We thank you for your understanding.

05/2021

Dear Guests,

You may notice that we suggest to serve our red wine slightly chilled to conform with the intended temperate climate room temperature rather than tropical climate room temperature. All prices are subject to 10% VAT and 10% service charge. While we try to have the wines on our wine list available at all times, we do in most cases depend on our wine merchants to maintain a steady supply. We apologize if your choice of wine was not available today. Vintages may vary.
